Well, boy, you sure took me for one big ride, —
Don't get too lost in all I say. —

Then when I think of you I —
But that was then and now —

could have been. —
start to cry. —

Can't get off yet and so I'm here to stay —

 till some-one comes, a - long and takes my place, — with a dif - f'rent name — and

took the key. —
 fore I die. — } You feel - in' al - right? —
